Hola Amigos,

We have had a busy and productive month. The new children are adjusting well. They enjoy playing with all their new friends and toys. Please pray that they will all come to know Christ as their savior.

Teams have begun to arrive to help us with various projects around the orphanage. So far they have built a new office for us and expanded the pig pen. They have also done many minor repair and maintenance tasks that were needed around the facility.

construction projects

I am preparing to return to the US for a month, so I am working hard to organize everything before I leave to make it easier for the house parents while I am gone. Though I am looking forward to seeing many of you while I am in the US, I know that I will miss everyone here while I am gone. I love living in this community. Thank you for all your prayers and support that make it possible for me to live and work here

In Christ,

Joy Pulsifer

Please pray for:

- Safety while I travel.
- Salvation of the new children in the orphanage.
- Continued wisdom and unity for the staff here as we work to raise these children in Christ.
