

Child of the month

Nombre/Name: Jose Andres Montes (nickname is Monti)
Edad/Age: 11
Fecha de nacimiento/Birthday: noviembre/November 11
Likes: studying, football, Nintendo

Monti is a new addition to our family. He is from here in Jinotega. He came to our gate one night and asked if he could sleep here. We found his mother a few days later and she agreed to register him with us so he can receive an education. He is in the third grade and is very proud of being named the best student in his class. This is a great achievement since he only started school this year about two months ago. He is an active boy who loves to climb the mountain behind the children's home. He would like to be an engineer when he grows up.

Monti after climbing the mountain. He always comes back covered in mud.

Hola Amigos,

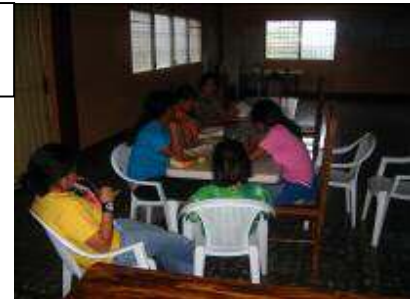

Busy Busy Busy

The children here are always moving. They have endless energy. School helps keep them busy during the week, but they have a lot of free time at night and on the weekends. We are always looking for ways of keeping them busy. Here are a few examples of their activities.

The children start their mornings with devotions.

On sunny days the children play baseball.

The children love to read

We display their artwork on the wall.

Thank you for your continued support in helping to raise these beautiful children.

In Christ,
Joy Pulsifer

Prayer Request:

1. That Monti will continue to adjust to his life here and that he will come to know Jesus as his savior.
2. That the children and I will stay in good health.
3. For Adan's surgery that is scheduled for the second of September.
4. For spiritual authority. We have been under heavy spiritual attack.
5. That we will have supernatural energy to keep up with the children.
