Hola Amigos,

Many new children came into the center in the last year. I want you get to know them as I have, so I will be featuring one child in each month. This month, I would like to introduce you to Jayson.

Nombre/Name: Jayson

Edad/Age: 11

Fecha de nacimiento/Birthday:

Mayo/May 18

Likes nintendo, riding bikes,
playing foosball, joking around

Jayson makes funny faces to
make the others laugh

He also likes to dress up like a
superhero

Recently someone brought horses to
the orphanage so the children could
ride. We found that Jayson is an
accomplished rider.

Jayson's mother abandoned him and his brothers when she left Nicaragua to find work. He is a sweet child with a wonderful sense of humor, though sometimes his teasing gets him in trouble. He has lots of energy, a quick smile and loves hugs. He recently accepted Christ as his savior.

Prayer needs for Jayson:

1. That God will heal the anger he feels over his mother's abandonment.
2. That he will learn to depend on God as his provider.

Thank you for standing with me in prayer for this child.

In Christ,
Joy Pulsifer
